Subject: Meeting Tomorrow

Hi Mary, we look forward to tomorrow. We will have a phone line ready at 513-386-0000, access code 399595#. Participants will not be able to see the presentation but can hopefully hear the overview and discussion. We will have two staff and 2-3 from our design consulting team. We are still working our way through viewings by the stakeholders so we have not included them for this meeting. Let me know if there are other questions. My cell is 515-988-2174 if needed. Thanks!
